- A320 Captain - SYD
- A320 First Officer - ADL, MEL
- Flight Operations Safety Officer – safety investigations

Alliance Airlines 2009 - 2011

- Fokker 50 First Officer - ADL

- Little training in bird or wildlife hazards for pilots
- No training on decision making regarding wildlife hazards
- Some general information in route guide
- Occasional safety bulletins
- Very sporadic emails from management passing on 'Birdwatch' information from airports

- Safety/incident reporting
 - Pilot would submit report to company
 - Company would sometimes but not often proactively report to airport
 - If airport heard about bird strike (e.g. pilot radio report) they would seek information from company
